Request For Extension of Special Temporary
Authority To Remain Silent

Dear Mr. Smith:

This letter concerns the requests, filed on September 8, 2010, on behalf of Sunnylands Broadcasting LLC ("Sunnylands"), for Special Temporary Authority to permit FM Translator Station K232AN to remain silent.

Commission records reflect that K232AN went silent on January 4, 2010, due to technical problems. On January 21, 2010, Sunnylands requested a STA for the station to remain silent until the problems were resolved. The STA was granted March 18, 2010, and expired September 14, 2010. Sunnylands' current request states that additional time is needed to await arrival of a replacement antenna. Accordingly, Sunnylands requests that the STA be extended. Sunnylands' request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

Sunnylands' request will be granted. Accordingly, Special Temporary Authority is granted to permit Station K232AN to remain silent until January 4, 2011. **Notwithstanding the grant of this special temporary authority, the broadcast license for K232AN will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., January 5, 2011.**¹ See Section 312(g) of the Communications Act, 47 U.S.C. Section 312(g).

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for
